

City Salsa Vibe Dress Code

The purpose of the CSV Dress Code is to complement the upscale casual environment at our events. We believe that appearance affects the atmosphere and we want to continue to provide good, clean fun for you. While we want you to be comfortable, please respect the following guidelines:

Upscale casual is the minimum standard

Jeans are fine except torn or dirty looking jeans, regardless of brand

No baggy clothes

No running shoes of any kind

No baseball caps or bandanas

No sportswear (workout clothing)

No casual sandals or flipflops

No shorts

Collared shirts are preferred for men.

The only exception to the above is at a themed event – and the exception must be in line with the theme. The Management will exercise their discretion with the above guidelines.

If you arrive at our event and are reminded of the guidelines, you will be given a copy of the Dress Code. If you arrive again not in line with the Dress Code, you will be asked to come back when your outfit complies.

Thank you for your cooperation.
